MEMORANDUM FOR: ALL NEVADA STATE HONOR GUARD MEMBERS

SUBJECT: Nevada State Honor Guard's Dress Blue Policy

1. As a member of the Nevada State Honor Guard you are being issued a complete set of the Dress Blue uniform for use during Honor Guard missions.
2. Your Dress Blues will be an issued item. Each Soldier will sign for all issued items and will be responsible for maintaining the uniform. As with all uniform issues, you will be required to turn in all un-serviceable items before any new uniform items are issued. Your uniform must be maintained and kept in ceremonial condition and must be prepared at any time to be inspected by the State Operations Coordinator, State NCOIC, or any Team Leader. Should your uniform not be in compliance for that days event, you will be pulled from performing that event, which could also lead to counseling or suspension from the team. The Dress Blues will be in accordance with the ARNG Honor Guard Uniform SOP.
3. Dress Blue uniforms are the property of the Nevada State Honor Guard. You must remain within the state incentives program stipulations to possess the uniform. Should you fail to remain an active member or fail to perform the required amount of events you will be required to turn in all issued items. If this is not done in a timely manner your chain of command will be notified and a statement of charges will be issued.
4. In conclusion, I again would like to stress my great appreciation for your continued dedicated service to this very important program. Any questions or concerns regarding this policy should be directed to Mr. Ari Morales at (702) 632-0349 or ari.morales@nv.ngb.army.mil.

STEPHEN A. SITTON
